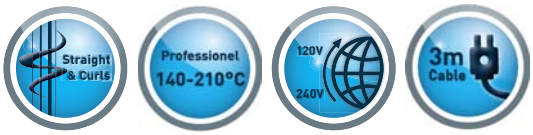
FOR A GOOD REASON
GRUNDIG



Hair Styler "Straight & Curls"
HS 7230

Product data

- Made with 4 premium, radiant SWAROVSKI ELEMENTS
- Color & Shine™ Activator:
  Premium double ceramic coating of the styling plates with keratin finishing provides even heat distribution as well as easy sliding of the styling plates. In this way it protects stressed hair, activates the colour brilliance of the hair and provides for luxurious shine
- Fashionable and flexible styling for a smooth, sleek look, shaped ends, as well as soft cascading waves and curls
- Individual temperature control in 8 settings, from 140°C to 210 °C, suitable for any type of hair (fine, normal, thick)
- Worldwide voltage adjustment 120-240V~, 50/60 Hz – perfect also for travelling
- Great convenience in safety and use:
  - Blue LC-display showing temperature
  - Lock function prevents accidental temperature alterations
  - Fast electronic heating up time within 30 seconds to 100°C
  - 3,0 m professional cable with swivel joint guarantees freedom of movement when styling
  - Switches off automatically after 60 minutes
- High-quality, heat-resistant cosmetic bag with heat-resistant mat
- Color: black
